

# Look To Your Soul

Marc Almond

I nearly lost myself  
Tryin' to be someone else  
All of my life I've been playing the game

Gotta get out of myself it seems  
Life's not real when you're in a dream  
Hang on to your head and give it a try

To live you must nearly die  
Giving up the need to say I  
Look to your soul for the answer  
Look to your soul

So many people passing by  
Have a need to identify  
All of us want to be satisfied

Few people seem to care  
Livin' a life that goes nowhere  
Nobody takes the time to try

To live you must nearly die  
Giving up the need to say I  
Look to your soul for the answer  
Look to your soul  
For the answer  
Look to your soul

For the answer  
Look to your soul  
Look to your soul
