

Skin Deep

Marc Almond

We're gonna do a duet now
That was on Chris's album
DBA album, it's called Skin deep

This is pop live, pulling you in
You better watch out
It might spit you out again

Well you wanted love when you felt so alone
Now you spit in the face of those who gave you a home
Hide away with the tears you're crying
Blame the world, when you feel like dying

You've always lived your life like you're untouchable
But I know what's behind this, Miss Indestructible

Skin deep
It's skin deep
Skin deep
God knows it's skin deep

Skin deep
It's skin deep
Soul asleep
God knows it's skin deep

This is your life
(It's your life)
It's a roulette wheel
Well, I guess you know, how abandonment feels

You're the glacier girl
And your spirit is weak
When you cry for help, it's like soul music to me

Hide away with the tears you're crying
Blame the world, when you feel like dying
You've always lived your life like you're untouchable
But I know what's behind this thing, Miss Indestructible

Skin deep
It's skin deep
Skin deep
God knows it's skin deep

Skin deep
It's skin deep
Soul asleep
God knows it's skin deep

Hide away
(Skin deep)
Hide away

Hide away when you feel like dying
Skin deep
God knows it's skin deep

(Hide away)

Soul asleep
God knows it's skin deep
This is pop life
This is your life
This is pop life
Skin deep
