They say around the way you've asked for me there's even talk about you wantin' me I must admit that's what I wanna hear But thas jus' talk until you take me there, oh If it's true don't leave me all alone out here Wonderin' if you're ever gonna take me there Tell Me What you're feelin' cuz I need to Know Girl you gotta let me know which way to go

Cuz I Need to Know
I need to know
Tell Me Babygirl cuz I need to know
I need to know
I need to know
Tell me Babygirl cuz I need to know

My every thought is of this bein' true
It's gettin' harder not to think of you
Girl I'm exactly where I wanna be
The only things I need you here with me, oh
