I Need You

Marc Anthony

From the day that I met you girl I knew that your love would be Everything that I ever wanted in my life From the moment you spoke my name I new everything had changed Because of you I felt my life would be complete

R: Oh baby I need you For the rest of my life girl I need you To make everything right girl I love you And I'll never deny that I need you

Nothing matters but you my love And only God above Could be the one to know exactly how I feel I could die in your arms right now Knowing that you somehow Would take my soul and keep it deep inside your heart

R:

Girl your love to me feels just like magic When you smile you have total control You have power like nothing I've felt before I've let all of my feelings show Cuz I want you to know that.. I need you

I need you, for the rest of my life girl I need you, say that you'll be my wife oh I love you, Wont you marry me marry me Oh I need you (nobody but you) Oooh I need you, for the rest of my life Oh I need you (nobody but you) Wont you marry me marry me I love you, I really need ya baby (I really need nobody but you) I need you Girl I really need ... need you girl I really need you need you (I need you) Oohhh baby I love you (I love you) I need you, Girl I really need ya need ya ... oh baby ... Wont you marry me (I need you) Wont you marry me marry me I love you.. oohh .. I need you. (I really need nobody but you)
