

Back In Your Arms

Marc Broussard

In my dream my love was lost
I lived by luck and faith
I carried you inside of me
Prayed it wouldn't be too late
Now I'm standing on this empty road
Where nothing moves but the wind
And honey I just want to be

Back in your arms
Back in your arms again
Back in your arms
Back in your arms again
You said once I was your treasure
And I saw your face in every star
The promises we make at night
Oh that's all they are
Unless we fill them with faith and love
They're as empty as the howling wind
Now darling I just want to be

You came to me with love and kindness
But all my life I've been a prisoner of my own blindness
I met you with indifference
And I don't know why
Now I wake from my dream
I wake from my dream to this world
Where all this shadow and darkness is
And a dark sky unfurls
And all the love I've thrown away and lost
Honey I'm longing for again
Now there's nothing I wouldn't do if I could be

Back in your arms
Back in your arms again
Back in your arms
