

# Fool for Your Love

Marc Broussard

I'd climb any mountain  
Sail across the wide sea  
I'd walk right through the desert  
Just to get you next to me  
Darling I'd do anything you want me to do  
Just to get a bit of your touch

I'm a fool for you (fool for your love)  
I'm a fool for your love (fool for your love)

The first time I noticed  
Was the second that you walked away  
I knew right then and there, now baby  
I'd do anything just to make you stay  
What can bring me closer to you?  
Cause I just can't get enough

I'm a fool for you (fool for your love)  
I'm a fool for your love (fool for your love)  
I'm a fool for you (fool for your love)  
I'm a fool for your love (fool for your love)

... c'mon horns...

Then I'd climb any mountains  
Sail through the stormy sea  
Walk alone across the desert  
If I could get you next to me  
Ohhhh yes  
Fool me once darling  
Fool me twice  
Fool me three times
