

Honesty

Marc Broussard

You say you need time
Take all you need
You can just stand in a moment of shelter
I try to breathe
Just know that the silence
Is temporary
While this is working out for you
It's killin' me

I don't need nothin' from you babe
Nothin' but honesty
Talk to me honestly
You should know me well enough by now
I'm not gonna run away
I'd never run away
You say you need time

So I walk away
Just know that this distance you request
I cannot relate
The way that you weep
Leads you to hide
While this is working out for you
It's bleedin' me dry

Cause I don't need nothing from you babe
Nothing but honesty
Talk to me honestly
You should know me well enough by now
I'm not gonna run away
I'd never run away
You say you need time

Aaahhh no, oh oohh no... no
No no no no no

I don't need nothin' from you babe
Nothin' but honesty
Talk to me honestly
You should know us well enough by now
The sun is still shinin' babe
You set on us today
You say you need time
