

# Rocksteady

Marc Broussard

I think I feel like sleepin in  
I won't woke up 'til Friday night  
The moment the weekend begins  
I'm packing up my ride and I'm leaving

When I get there  
You better be ready to rocksteady

I think I feel like sleepin in  
Last night was crazy outta sight  
After my rest the fun begins  
I'm packing up my ride and I'm leaving  
Headed straight towards your door

First the song begins  
You start movin' and  
I get caught up in the rhythm of your hips  
And I just can't wait to take this party home

When we get there  
You better be ready to rocksteady
