

# Stand by You

Marc Broussard

Oh, why you look so sad  
The tears are in your eyes  
Come on and come to me now  
And don't be ashamed to cry  
Let me see you through  
'Cause I've seen the dark side too

When the night falls on you  
And you don't know what to do  
Nothing you confess  
Could make me love you less

I'll stand by you, I'll stand by you  
I'll stand by you, I'll stand  
Won't let nobody hurt you

So if you're mad, get mad, yeah  
Don't hold it all inside  
Come on and talk to me now  
Hey there, what you got to hide?  
I get angry too  
Well, I'm alive like you

When you're standing at the cross roads  
And don't know which path to choose  
Let me come along  
'Cause even if you're wrong

I'll stand by you, I'll stand by you  
I'll stand by you, won't let nobody hurt you  
I'll stand by you

Baby, even to your darkest hour  
And I'll never desert you, no  
I'll stand by you

And when, when the night falls on you baby  
You're feeling all alone  
You're wandering on your own

I'll stand by you, I'll stand by you  
I'll stand by you baby, won't let nobody hurt you  
I'll stand by you, I'll stand yeah  
I'll stand by you, I'll stand by  
I'll stand by you, I'll stand by you  
I'll stand by you, I'll stand by you baby  
I'll stand by you baby, I'll stand by you baby, I'll stand by you...  
I'll stand by you, I'll stand by you  
I'll stand by you...
