

# Stay With Me

Marc Broussard

Today for the first time  
I saw the sun rise  
And wondered what I would do  
If you were gone  
I know you've been thinkin'  
Thinkin' of leavin'  
You've been waitin' on me for way too long  
I know that I'd be crazy  
To let you walk out that door

So baby just stay with me  
And I'll find a way to get it where we wanna be  
Just stay with me  
And I promise I can be the man you need me to be  
And I confess I can't live without you  
I'd be a mess  
Baby I need you to  
Stay with me  
We'll make it work this time

Too many people  
Going in circles  
Looking for love they've already found  
I used to be like that  
But I'm not goin' back  
I'm sorry that it took so long  
For me to come around  
I know you're feeling scared  
But I swear I won't let you down

So baby just stay with me  
And I'll find a way to get it where we wanna be  
Just stay with me  
And I promise I can be the man you need me to be  
And I confess I can't live without you  
I'd be a mess  
Baby I need you to  
Stay with me  
We'll make it work this time

We belong together  
And I'm not goin let you walk away  
Hold on to you forever  
Baby, I just want you to stay

Oh baby just stay with me  
And I promise I can be the man you need me to be  
Stay with me  
And I'll find a way to get it where we wanna be  
Just stay with me  
And I promise I can be the man you need me to be  
And I confess I can't live without you  
I'd be a mess  
Baby I need you  
And I confess I can't live without you  
I'd be a mess  
Baby I need you to

Stay with me  
We'll make it work this time  
Oh baby, just stay
