

# Fever

Marc Cohn

You'll never know how much I love you  
You'll never know how much I care  
When you put your arms around me  
I get a fever that's so hard to bear

(You give me such a)  
Fever in the morning  
Fever all through the night  
Fever when you kiss me, baby  
And fever when you hold me tight

The sun lights up the daytime  
The moon lights up the night  
Yeah but I light up every time you call my name  
And I know you're gonna treat me right

(You know I just can't stand by myself,  
'Cause I got a fever....)
