

# All My Life

Marc E. Bassy

All my life I waited for you  
All my life I waited for somebody like  
All my life I waited for you  
All my life I waited for somebody like you

Used to send my location  
That was your destination  
Off a pill and your girlfriend is barely off probation  
We in the hotel I'm touching your thigh your heart is racing  
My homies got all the rooms adjacent  
Recently made it

I wasn't thinking about it too much  
My vision clouded  
Off the K slipped in a hole and you came and got me out it  
Poured a glass of that Pinot into the cup and downed it  
Went into the booth a made a song about it

All my life I waited for you  
All my life I waited for somebody like  
All my life I waited for you  
All my life I waited for somebody like you

Used to live in the valley  
Next to Karen and Sally  
God they must've hated it  
We was rowdy  
Had the porn stars in the pool  
Fucking loudly  
Me and Biz acting a fool  
And then you came and got me  
It was godly  
Know you hate it  
You say it's basic  
You probably right  
I ain't lying though when I share my life  
I earned my stripes  
I won't say the number but just know  
That's why you now my wife  
Wasting time 'til you came around and blew mind

All my life I waited for you  
All my life I waited for somebody like  
All my life I waited for you  
All my life I waited for somebody like you

Woke up this morning was yawning off of the strip in Vegas  
Writing songs hoping Rihanna take 'em  
You laying naked  
Make or breaking Didz was shooting dice  
I'm feeling faded  
Now your throwing up in the suite  
But said you wasn't drinking  
West Side Love  
Stories of the grind  
Glory gonna know her daddy is one of kind  
I know my baby hate it, hope she doesn't mind

Up a couple million just to tell 'em 'bout my life

All my life I waited for you

All my life I waited for somebody like
