Marc E. Bassy

She came in through the bathroom window
Baby, I saw her, don't lie, yeah
Ain't gon' ask what you into
Baby, I know your type
But I fuck with you
And I'm in love with you
I'm just trusting you (Ayy)
Yeah, I know that you coming through
On some bullshit, baby, what I'm gonna do, yeah

Daddy gonna have to deal with it
I've been doing this shit my whole life
Daddy gonna have to deal with you
Girl, you know you ain't acting right
Daddy gonna have to deal with it
Daddy gonna have to deal with it
So be good 'til the other side
