

## Dreaming

**Marc E. Bassy**

Are you dreaming about somebody else tonight  
Oh I don't think I can take it  
Are you schemin on me tryin to take me out for a ride  
And then go and say I'm your favorite

I've been down since you left me  
But you said that I let you go  
And the whole world is temptin  
If its not spinning out of control  
Then I don't know what changed lately but baby  
You don't ever seem to have the time  
Maybe it's the drugs but I feel like I'm crazy  
Tel me what's been on your mind

Are you dreaming about somebody else tonight  
Oh I don't think I can take it  
Are you schemin on me tryin to take me out for a ride  
Ooo then go and say I'm your favorite

From the day that I met you  
I could tell that you'd never be mine  
We're so good at pretending  
Everything's going to turn out fine  
So I don't know what changed lately but baby  
When you kiss me it don't feel the same  
Maybe it's the drugs but I feel like I'm crazy  
Swear I heard you say his name

Are you dreaming about somebody else tonight  
Oh I don't think I can take it  
Are you schemin on me tryin to take me out for a ride  
Ooo then go and say I'm your favorite

Cause I can't let you go  
Like it was before  
So if you're dreaming about somebody else tonight  
Don't let me be the last to know
