

# Faded

Marc E. Bassy

I'm faded  
I'm feeling brand new  
And just bought some brand new  
She got her girls  
I brought my mans through  
Don't take one  
Just grab a handful  
Get this pull  
Right from the handle  
Aww yeah

I'm feeling good  
She looking fine  
I know the truth ain't gonna matter tonight  
Let me get you like

Faded, I want you  
Faded, imma call you  
Faded, you need to be on your line  
Faded, I want you  
Faded, when I call you  
Faded, I need to be on your line

Fresh as a demo track  
B-B-B-But when you know it slap  
When we done they say go run it back  
Get shit hot there when we in the lab  
Tell that son don't run we throwing stacks  
Like we got it like that

I'm feeling good  
She looking fine  
I know the truth ain't gonna matter tonight  
Let me get you like

Faded, I want you  
Faded, imma call you  
Faded, you need to be on your line  
Faded, I want you  
Faded, when I call you  
Faded, I need to be on your line

Physical desire is very normal and it happens and  
Sometimes everything just comes down to a very basic level  
And there's nothing wrong with it  
I think that sex is just much groovier when there's love
