

How Dare I

Marc E. Bassy

Hauling fast off the formula
No crash, just pass
All the stress California leaves
Stuck in my head
Can't say you would see it coming
When love turns into nothin'
When love turns into the lies

Maybe I got lost in the moment
Could've been the most perfect time
Ungrateful, girl, how dare you?
Unfaithful, girl, how dare I?
You know that you still linger on somewhere in my mind
Oh yeah
Maybe it was right before midnight (Yeah)
Off the rush of our perfect crime
Unfaithful, girl, how dare you?
Ungrateful, girl, how dare I?
I think it's too explicit for us to go rewind
To go and rewind

Stains on my shirt, French Laundry
Livin' like it don't matter what it cost me
I wanna fly to Burgundy for the red wine
Started from the burglary, but it ain't crime
Why you fightin' 'bout the house? Girl, the paint dryin'
Why you goin' through my phone? Girl, I ain't lyin'
Maybe I'm just lashin' out 'cause I hate cryin'
Why I feel so alive when the love dyin'?

Hauling fast off the formula
No crash, just pass
All the stress California leaves
Stuck in my head
Can't say you would see it coming
When love turns into nothin'
When love turns into the lies

Maybe I got lost in the moment
Could've been the most perfect time
Ungrateful, girl, how dare you?
Unfaithful, girl, how dare I?
You know that you still linger on somewhere in my mind
Oh yeah
Maybe it was right before midnight (Yeah)
Off the rush of our perfect crime
Unfaithful, girl, how dare you?
Ungrateful, girl, how dare I?
I think it's too explicit for us to go rewind
To go and rewind

I wish you well, I wish you well
I hope you know that it was worth it before
I wish you well, I hope you know
That it was part of us, it can never change
Part of us still together
Part of us still forever

It's not the same thing (Yeah)

Hauling fast off the formula
No crash, just pass
All the stress California leaves
Stuck in my head
Can't say you would see it coming
When love turns into nothin'
When love turns into the lies
