Let It Go

Marc E. Bassy

Let it low, you've got to, got to
Yeah, yeah, uh-huh, uh-huh yeah
Hey, let it go now
Let it go now
Let it go

Uptown on Broadway
Walk it out like a runway
Gotta get it what they all say
Heard you wanna get it, what they all say (yeah, yeah, yeah)

Westside girls love me (Westside)
Eastside girls love me (Eastside)
Down South girls chug me
You got somethin' lolly

All I want to do is let go, let go
Baby grab a hold, and lose controls
Never question your morality
God gave you your sexuality
So oh yeah

Girl if you a freak tonight
Go and be a freak for life
You got something that I like, yeah you do
Got something, you got something that I like

I see you
Uptown on Broadway
Walk it out like a runway
Gotta get it what they all say
Heard you wanna get it, what they all say

Westside girls love me (Westside girls)
Eastside girls love me (Eastside)
Down South girls chug me
You got somethin' lolly

All I want to do is let go, let go
Baby grab a hold, and lose control
Never question your morality
God gave you your sexuality

So let it show
Let it show (you've got to)
Let it show (yeah, yeah)
Let it show (uh-huh, uh-huh yeah, ay)

You don't gotta ask me
Take it from me (let it show)
You got every single thing that you need
So, so, so, so, so...

All I want to do is let go, let go (let it go now)
Baby grab a hold, can't lose control
Never question your morality
God gave you your sexuality

Uptown on Broadway
Walk it out like a runway
Gotta get it what they all say
Heard you wanna get it, what they all say

Westside girls love me
Eastside girls love me
Down South girls chug me
You got somethin' lolly

All I want to do is get down, get down
Baby grab a hold, and lose control
You know that I feel morality
God gave you your sexuality

Tell her, tell her
They can't take it, they can't take it
They can't take it
They can't take

You're so nuts
Just got some soda to go along
She's coming, coming and on
Just good enough

Yeah, that's so nuts
Just got some soda to go along
She's coming, coming and on
Just good enough

Uptown on Broadway
Gotta ride some my way
Gotta get it what they all say
Just gotta know ya

Uptown on Broadway
Everybody thinks she's right for ya
Everybody thinks she's right for ya
Everybody down when the party's up yeah

Uptown on Broadway
Walk it out like a runway
Gotta get it what they all say
Heard you wanna get it, what they all say

I see you
Uptown on Broadway
Down south like a runway
Westside girls love me
Eastside girls love me

Uptown on Broadway
See the lights in the hallway
Got a girl in the hallway
On a wall in the hallway

I get lost to lucky street
Us and I cah wait
Don't forget to call me
Gotta get it what they all say

Yeah yeah yeah

I know it
Say it's true that, some fall dead
Gotta get it what they all say

I've seen you
Uptown on Broadway
Down south look it our way
On the wall in the hallway

Heard you wanna get it what they all say
Gotta get it what they all say
Heard you wanna get it what they all say
Saw the lights in the hallway
For the streetlight callin'

All I want to do is let go, let go
(Low, low, low, low...)
Let it show, let it show
Let it show, let it show

Let it show, let it show
Let it show, let it show
Let it show, let it show
Let it show, let it show

(Low, low, low, low, low, low...)
