Miss Thang

Marc E. Bassy

Heart racin' at a shutter speed
Takin' pictures of your dreams
They're close as the crow flies
But with traffic, it's a slow ride though
Screaming in a packed house
Fallin' in love 'til you blacked out
Mascara in the rain

Pretty little miss thang (Yeah)
Pretty little miss thang
Pretty little miss thang (Yeah)
Pretty little miss thang

Now you got the upper hand
Finally you in high demand
Daddy used to look away
Mama hid her tears away
You only been to Paris once
Yeah, you've read about the stonewall, yeah
And now you got a world view
Biting like a chainsaw
Biting like a chainsaw

Pretty little miss thang (Yeah)
Pretty little miss thang
Pretty little miss thang (Yeah, yeah)
Pretty little miss thang

Closet got a wide array
Cocaine and lingerie
Spend an hour in the mirror 'cause
No one better with the self-love
Somehow on your own
Turn in to a happy home
Shinin' like a diamond ring

Pretty little miss thang (Yeah)
Pretty little miss thang
Pretty little miss thang
Pretty little miss thang, yeah
