

# Miss Thang

Marc E. Bassy

Heart racin' at a shutter speed  
Takin' pictures of your dreams  
They're close as the crow flies  
But with traffic, it's a slow ride though  
Screaming in a packed house  
Fallin' in love 'til you blacked out  
Mascara in the rain

Pretty little miss thang (Yeah)  
Pretty little miss thang  
Pretty little miss thang (Yeah)  
Pretty little miss thang

Now you got the upper hand  
Finally you in high demand  
Daddy used to look away  
Mama hid her tears away  
You only been to Paris once  
Yeah, you've read about the stonewall, yeah  
And now you got a world view  
Biting like a chainsaw  
Biting like a chainsaw

Pretty little miss thang (Yeah)  
Pretty little miss thang  
Pretty little miss thang (Yeah, yeah)  
Pretty little miss thang

Closet got a wide array  
Cocaine and lingerie  
Spend an hour in the mirror 'cause  
No one better with the self-love  
Somehow on your own  
Turn in to a happy home  
Shinin' like a diamond ring

Pretty little miss thang (Yeah)  
Pretty little miss thang  
Pretty little miss thang  
Pretty little miss thang, yeah
