

## Pray

Marc E. Bassy

I want to pray to you  
I want to pray to you  
Oh it's a holy thing with you  
If you would guide us babe, I'm a fool  
I want to pray to you  
I do, I do  
I do, I do  
I do, I do

Only believe it when I receive it  
Only believe it, oh and I keep the faith, baby  
Only believe it when I receive it  
Only believe it, oh when I

Your body's a temple  
Your body's a temple  
Your body's a temple  
Your body's a temple  
Your body's a temple  
Your body's a temple...

Your body's a temple, can I come inside to pray?

I want to pray to you  
I want to pray to you

Baby I've been sinning every day  
Temptation every time you look my way  
It's getting hard but I try to keep the faith  
Your body's a temple, can I come inside to pray?

Only believe it when I receive it  
Only believe it, oh and I keep the faith, baby  
Only believe it when I receive it  
Only believe it, oh when I

Your body's a temple  
Your body's a temple  
Your body's a temple  
Your body's a temple  
Your body's a temple  
Your body's a temple...

Your body's a temple, can I come inside to pray?

Only believe it when I receive it  
Only believe it, oh and I keep the faith, baby  
Only believe it when I receive it  
Only believe it, oh when I

Swimming in holy water  
Diving I'm going further  
Living [?]  
Your body's a temple, can I come inside to pray?
