

Rather Be

Marc Scibilia

We're a thousand miles from comfort
We have travelled land and sea
But as long as you are with me
There's no place I'd rather be
I would wait forever
Exulted in the scene
As long as I am with you
My heart continues to beat

With every step we take, Kyoto to The Bay
Strollin' so casually
We're different and the same, gave you another name
Switch up the batteries

If you gave me a chance I would take it
It's a shot in the dark, but I'll make it
Know with all of your heart, you can't shake me
When I'm with you, there's no place I'd rather be
There's no place I'd rather be
There's no place I'd rather be
There's no place I'd rather be

We staked out on a mission to find our inner peace
Make it everlasting so nothing's incomplete
It's easy bein' with you, sacred simplicity
As long as we're together, there's no place I'd rather be

With every step we take, Kyoto to The Bay
Strollin' so casually
We're different and the same, gave you another name
Switch up the batteries

If you gave me a chance I would take it
It's a shot in the dark, but I'll make it
Know with all of your heart, you can't shake me
When I am with you, there's no place I'd rather be
There's no place I'd rather be
There's no place I'd rather be
There's no place I'd rather be
