Summertime 4 Play

Marcos Hernandez

I'm the playa in this game
And I love it
Everybody's perky feeling good
We poppin bubbly
It's nothin to our boss
How we floss
It's summertime, it's hot ouside
Let me see ya take it off

It's a playa summer jam so
And I'm feeling great
Everybody's buzzing
And I know it's gonna be okay
Finally got that paper
Cause you know I just got paid
It's that 4 play for the summer day

Come on and get in the groove
Let's just turn the music up
All my ladies in the shade
Pop them bottles fill them cups
And you know
In the parking lot
There's no news
Every color candy paint
Let's make it hot with watcing
Got damn mama I can't wait

It's a playa summer jam so
And I'm feeling great
Everybody's buzzing
And I know it's gonna be okay
Finally got that paper
Cause you know I just got paid

Hadiyaday, I'm feeling so good
I got a pocket full of money
Gripping on wood
I drop the top cause it's sunny
And it's off the hook
Tryna come up on some honey
Let's flip through the hood
And we gone ride ride
Lookin so fresh so fly
Checkin out the shorties on the side
Cut up the jam hit the street
