

# Air

Marcus & Martinus

You're just like the ocean  
I've got a million emotions  
I'm breathing underwater  
You're love is deeper than no other  
We go higher and higher  
Keep flying and flying  
We crash and we burn  
We keep trying and trying

We're higher and higher  
Fight fire with fire  
We'll never give up  
Long as we got each other

'Cause when I'm with you I need no air  
Take my breath away now I don't care  
I can breathe without air  
I can breathe without air  
Take my breath away now I don't care  
I can breathe without air  
I can breathe without air  
(You're my, you're my, you're my air)

I'll be there in a heartbeat  
'Cause I love the way you love me  
(Love me, love me, love me)

We go higher and higher  
Fight fire with fire  
We'll never give up  
Long as we got each other

'Cause when I'm with you I need no air  
(I don't need no air)  
Take my breath away now I don't care  
(I don't even care)  
'Cause when I'm with you I need no air  
I can breathe without air  
(You're my, you're my, you're my air)  
I can breathe without air  
(You're my, you're my, you're my air)  
I can breathe without air

You're just like the ocean  
I've got a million emotions  
I'm breathing underwater  
I can breathe without air
