

Endless Summer

Marcus & Martinus

Ocean blue, oh-oh-oh-oh
I can feel the heat again
Don't you go? Oh-oh-oh-oh
Maybe this could be an e-e-endless summer

Cold drinks on your lips
Took me a second, now I'm so into it
One look in those eyes
Feel like forever, could be starting tonight

I'm a sucker for the way you talk
You got it all, you're so, mhm

Sweet like ocean blue, oh-oh-oh-oh
I can feel the heat again
Don't you go? Oh-oh-oh-oh
Maybe this could be an e-e-endless summer
Endless summer, endless summer (Endless summer)
Sweet like ocean-

My mind on replay
Come put a twist into my pink lemonade
Your skin on my skin
Can't stop this heatwave, got me falling again

I'm a sucker for the way you talk, yeah
You got it all, you're so, mhm

Sweet like ocean blue, oh-oh-oh-oh
I can feel the heat again
Don't you go? Oh-oh-oh-oh
Maybe this could be an e-e-endless summer
Endless summer, endless summer (Endless summer)
Sweet like ocean blue, oh-oh-oh-oh
I can feel the heat again

(Don't you)
(Oh, an endless summer, baby)

Ocean blue, oh-oh-oh-oh (Summer)
I can feel the heat again
Don't you go? Oh-oh-oh-oh
Maybe this could be an e-e-endless summer
Endless summer, endless summer
Sweet like ocean blue, oh-oh-oh-oh
I can feel the heat again

(Oh, an endless summer, baby)
(Sweet like ocean) Blue, oh-oh-oh-oh
I can feel the heat again
