

Fix You

Marcus & Martinus

Isn't easy to say
That our love's just in my memory
I know you're staying out late
Looking for some new night company, oh yeah

But I got my mind on myself
Not for nobody else
But you're still on my mind, girl
Yeah, I got my mind on myself
I did good, I do well
But you're still on my mind, girl

'Cause I can't fix you
No, I can't fix you
And you know that I tried
And that with a broken heart
Girl, you can't deny
That you can't see wrong from right, right, right
'Cause I can't fix you
No, I can't fix you

You see you girl got money
But you got no damn time
Could be the girl of my dreams
Could be one of a kind
Could be a Barbie or Whitney
May going up and down
Baby, you started loving
If not, I'll say, "Bye, bye"

But I got my mind on myself
Not for nobody else
Though you're still on my mind, girl

'Cause I can't fix you
No, I can't fix you
And you know that I tried
And that with a broken heart
Girl, you can't deny
That you can't see wrong from right, right, right
'Cause I can't fix you
No, I can't fix you

And you know that I tried
And that with a broken heart
Girl, you can't deny
That you can't see wrong from right, right, right
'Cause I can't fix you
No, I can't fix you
'Cause I can't fix you
No, I can't fix you

And you know that I tried
And that with a broken heart
And you know that I tried
And that with a broken heart (and that with a broken heart)
And you know that I tried

And that with a broken heart
And you know that I tried

Bye bye bye
