

Gimme Your Love

Marcus & Martinus

Something about the way you move
Going crazy over you
So, can you tell me what to do now, now

Baby, I'm running out of time
Gotta know how to make you mine
Something like you is hard to find now, now

I can't get you off my mind
Got you with me 365
Feel like I'm in paradise
When I look into your eyes

Girl, you keep me up all night
Surrounded by the fireflies
Tell me, tell me, tell me why

Why won't you gimme your love? (Oh)
Gimme your love
Gimme your love, right now

Why won't you gimme your love? (Oh)
Gimme your love
Gimme your love, right now

Why won't you gimme your love?
Gimme your love, right now
Why won't you gimme your love (oh, yeah) right now?

Thinking about the night we met
Feeling the lights and I can't forget
Your smile and your silhouette, no-oh

Something about you I can't explain
Girl, you're making me insane
A little bit wild, but I won't complain, no-oh

I can't get you off my mind
Got you with me 365
Feel like I'm in paradise
When I look into your eyes

Girl, you keep me up all night
Surrounded by the fireflies
Tell me, tell me, tell me why

Why won't you gimme your love? (Oh)
Gimme your love
Gimme your love, right now

Why won't you gimme your love? (Oh)
Gimme your love
Gimme your love, right now

Why won't you gimme your love?
Gimme your love, right now
Why won't you gimme your love (oh) right now?

Why won't you gimme your love? (Oh)
Gimme your love
Gimme your love, right now

Why won't you gimme your love? (Oh)
Gimme your love
Gimme your love, right now

Why won't you gimme your love, right now?
