

Like It Like It

Marcus & Martinus

Wooh
I like it
SILENTÓ
Shoutout to my bros
I like it
I like it
Ohhh
Yeah
I like it, like it

You're the type of girl that got everything that I'm looking for
I like your new Yeezys, I love your style, girl, you're beautiful
Yeah, the way you walk and the way you talk, you're incredible
I like it, like it
I like it, like it

I can see it from by the way you're acting around your girls
And I lose my air every time I see you go whip your hair
Yeah, the way you're walking, the way you talk, it's like you run the world
And I like it, like it
I like it, like it

Ohhh, ohhh, ohhh
Yeah I like it, girl
Oh, I like it

I like the way you go
I like it, like it
I like it, like it
I like it, like it
I like the way you go
I like it, like it
I like it, like it
I like it, like it
I like it, like it

Girl, if you were mine I can tell you I'd never let you go (that's true)
I'd be your Superman, got a master plan to make you mine for sure
Everything I got I'll give it all to you and I hope you know
I like it, like it
(Cause I, Cause I)
I like it, like it

And if you lead me on, yeah yeah (I like it, like it)
Going from dusk to dawn, ooh ooh (I like it, like it)
Yeah, if you lead me on (you lead me on, yeah) (I like it, like it)
I like it, like it
(Cause I, I)
I like it, like it
Cause I like it
Go, Go, Go, Go, Go

I like the way you go
I like it, like it
I like it, like it
(You know that I)
I like it, like it

I like the way you go
I like it, like it
I like it, like it
(It's the boys and Silentó)
I like it, like it
I like it, like it

Won't change all about you, baby
Girl, I like your style and the way you shake it
Your moves are so amazing
Wanna be your dishy yeah I'll take it
I like when you call
I like when we talk on the phone
I like when we're flexing
So beautiful girl you're my blessing
That's how it goes (right right this, right right this)
Right that's how it goes (right right this)

I like the way you go
I like it, like it (okay!)
I like it, like it
I like it, like it (right now, right now, right now)
I like the way you go
I like it, like it (yeah)
I like it, like it
I like it, like it
I like it, like it
Uhhhh, I like it
