

# Never

Marcus & Martinus

All I wanna do is making you feel it  
Just let it go and make it real  
Cuz sometimes love can be found in deep waters  
That's just how it is

And if you go, I'll go with you  
If you run, I'll run with you  
There's nothing I wouldn't do  
Cause it's love, cause it's love, cause it's love  
Girl I, will make it true  
And finally when I get you on my own

I will never, never ever let you go (go) (gooo) (oohhh)  
I will never, never ever let you go (yeah-yeah) (yeah-yeah)  
I will never let you go

(Oh yeah) I told you from get go  
Told you why I'm never gon' let go  
Got my heartbeat going like techno  
Take my hand baby girl, c'mon let's go (ohh)  
Love and then vibe right now  
Love and then vibe right now  
You got them eyes like wow  
So let me show you more  
Grow old with you (I'll go with you)

And if you go, I'll go with you  
If you run (if you run), I'll run with you  
There's nothing I wouldn't do  
Cause it's love, cause it's love, cause it's love (cause it's love)  
Girl I, will make it true  
And finally when I get you on my own

I will never, never ever let you go (go) (yeah-yeah) (gooo) (oohhh)  
I will never, never ever let you go (yeah!) (yeah-yeah)  
I will never let you go (I will never let you go)

Girl when you looking at me  
There's no question that you are the one  
But words don't come easy to me  
And that's why I'm writing this song  
I can not believe I finally got you on my own  
Girl I want you to know

I will never, never ever let you go (go) (gooo) (oohhh)  
I will never, never ever let you go (I will never let you go) (yeah!) (yeah-yeah)  
Yeah never let you go, never let you no no no  
I will never  
I will never  
I will never let you go
