

On This Day

Marcus & Martinus

Once upon a time you know, in the kingdom where the rivers flow
, oh oh, oh oh oh oh
Underneath the summer sky, you could hear a baby cry, oh oh, oh
oh oh oh
Yeah, the miracle of life had begun
And put a smile upon the face of the sun

On this day, on this day, oh oh
The world got a little bit lighter, the stars got a little bit
brighter
On this day, on this day, oh oh
Everybody's got an invitation, and you're the one we celebratin
g on this day
On this day, yeah

We can let the music play, we can dance the night away, oh oh,
oh oh oh oh
And when the night the air has come and has gone, we gotta do i
t all again so come on

On this day, on this day, oh oh
The world got a little bit lighter, the stars got a little bit
brighter
On this day, on this day, oh oh
Everybody's got an invitation, and you're the one we celebratin
g on this day
On this day

On this day, on this day, oh oh
The world got a little bit lighter, the stars got a little bit
brighter
On this day, on this day, oh oh
Everybody's got an invitation, you're the one we celebrating
On this day, on this day, oh oh
Everybody's got an invitation, you're the one we celebrating on
