

# One Flight Away

Marcus & Martinus

Hush now, baby, I know, I know  
I know it's crazy the days without you are just too many  
But that's the way that it goes  
And everyday day I know I'm working with you to know  
It'll all be worth it  
When I'm back in your arms I feel at home, yeah yeah  
But then I'm back on the road

Close your eyes, make a wish or two  
Soon I'll be there with you  
Giving you kisses and holdin' you  
No second guesses, all over you

I'm just a million miles away-way-way, na  
And I'll be with you any day, day, day, na  
Can wait to get with you, bae, bae, bae, baby  
I know you hurtin', but I'm just one flight away  
You know I'm missin' you like cray-cray-crazy  
But I'll be with you any day, day, day, day  
Can't wait to get with you, bae, bae, bae, baby  
I know you hurtin', but I'm just one flight away

On the runway, on my way home  
Wanna see you, wanna takeoff  
Gonna hit some turbulence  
Well, you and me make perfect sense  
It's hard so what I gotta do?  
I don't have a clue but please don't move  
Away from me, that's true  
You miss me and I miss you  
Hush, Hush baby, hush  
You the only one I trust  
Remember your my only crush  
So baby, don't worry, don't worry  
I'm only one flight away

I'm just a million miles away-way-way, na  
And I'll be with you any day, day, day, na  
Can wait to get with you, bae, bae, bae, baby  
I know you hurtin', but I'm just one flight away  
You know I'm missin' you like cray-cray-crazy  
But I'll be with you any day, day, day, day  
Can't wait to get with you, bae, bae, bae, baby  
I know you hurtin', but I'm just one flight away

Moments away from you  
Moments away from you  
Girl, don't worry, (girl, don't worry) don't worry  
Don't you worry (don't you worry)

Close your eyes, make a wish or two  
Soon I'll be there with you  
Giving you kisses and holdin' you  
No second guesses, all over you

I'm just a million miles away-way-way, na  
And I'll be with you any day, day, day, na

Can wait to get with you, bae, bae, bae, baby  
I know you hurtin' but I'm just one flight away  
You know I'm missin' you like cray-cray-crazy  
But I'll be with you any day, day, day, day  
Can't wait to get with you, bae, bae, bae, baby  
I know you hurtin' but I'm just one flight away
