

Pocket Dial

Marcus & Martinus

Been so good, I'm forgetting you
Almost forgot how I was working, I'm forgetting you, yeah
Suddenly it's like the world has been working against me
Already know you ain't gone, oh, believe me
But both my hands, they were occupied
There was no way to grab my phone, get you on the line, yeah
Baby, I already know you ain't gone, oh, believe me
But believe me

I didn't mean to pocket dial you again
Baby, since I pocket dialed you, how you been?
It's been some time since I heard your voice
I didn't mean to call, but you had a choice
To pick up when I pocket dialed you again

Yeah, my heart's in better pace since I called
Just pop right in, then run away, yeah
Now all I have is this old text messages and pictures
No, I'm not saying I miss you

Because I didn't mean to pocket dial you again
Baby, since I pocket dialed you, how you been?
It's been some time since I heard your voice
I didn't mean to call, but you had a choice
To pick up when I pocket dialed you again

I didn't mean to do it, I didn't mean to do it
I didn't mean to do it, I didn't mean to do it
Do it, do it, do it, yeah
I didn't mean to do it, I didn't mean to do it
I didn't mean to do it, I didn't mean to do it
Do it, do it, do it, yeah

I said, I didn't mean to pocket dial you again
Baby, since I pocket dialed you, how you been?
It's been some time since I heard your voice
I didn't mean to call, but you had a choice
To pick up when I pocket dialed you again

I didn't mean to do it, I didn't mean to do it
I didn't mean to do it, I didn't mean to do it
Do it, do it, do it, yeah
I didn't mean to do it, I didn't mean to do it
I didn't mean to do it, I didn't mean to do it
Do it, do it, do it, yeah
