

Sugar Rush

Marcus & Martinus

Girl, you got your love on me tonight
She said, "Hey, don't waste my time"
You should know I never lie
But you know
Dance, I never danced like this before
Girl, you knock me on the floor
I'm on a diet, but tonight

You're my sugar rush
And I feel you in my blood
You're so dangerous
No ordinary love
You're my sugar

Sugar, sugar, sugar rush, sugar (Ugh, so)
Sugar, sugar, sugar rush, you're so dangerous
Sugar, sugar, sugar rush, sugar (Oh)
Sugar, sugar, sugar rush, sugar (So, so, so)

You, you make the lemon taste so sweet
You got me all over the beat
I never ever ever felt like this before
No, no, no, oh, no
You're my Mona Lisa sparking on me (Whoa)
The way you kiss me, baby, making me weak (Whoa)
I'm falling down on the diet, but tonight

You're my sugar rush
And I feel you in my blood
You're so dangerous
No ordinary love
You're my sugar

Sugar, sugar, sugar rush, sugar (Ugh, so)
Sugar, sugar, sugar rush, you're so dangerous
Sugar, sugar, sugar rush, sugar (Oh)
Sugar, sugar, sugar rush

You're my sugar rush
And I feel you in my blood
You're so dangerous
No ordinary love
You're my sugar
