

Unforgettable

Marcus & Martinus

She comes alive at night
When her prey's asleep
Make your eyes go blind
And now you're in too deep

She gon' chew you up and leave you empty, hollow
Then she'll spit you out, anyway, I follow
She gon' hurt you bad, but it feels so good
I don't care, no, I don't care

You better know she's dangerous
She is unforgettable (Unforgettable)
And it feels so good, it hurts
She is unforgettable (Woah)

She's unforgettable
She's unforgettable
She's unforgettable

Her love is venomous
It's gettin' serious (It's gettin' serious)

She gon' chew you up and leave you empty, hollow
Then she'll spit you out, anyway, I follow
She gon' hurt you bad, but it feels so good
I don't care, no, I don't care

You better know she's dangerous
She is unforgettable (Unforgettable)
And it feels so good, it hurts
She is unforgettable (Woah)

She's unforgettable
She's unforgettable
She's unforgettable

Oh
Her love is dangerous and I know it
It's venomous 'cause I feel it Inside of me
She's unforgettable
Her love is dangerous and I know it
It's venomous 'cause I feel it inside of me
She's unforgettable
