

Keep 'Em Runnin

Marcus Miller

I keep 'em runnin', drivin' and hustlin'
They think they catchin' up, yeah
I hit them with this other thing
But, you know I keep 'em runnin'
They plan on passin' up
They think they got me down, yeah
I switch it up

I keep 'em runnin', drivin' and hustlin' (Drivin' and hustlin')
They think they catchin' up, yeah
I hit them with this other thing (I hit them with this other thing)
But, you know I keep 'em runnin', yeah
They plan on passin' up
They think they got me down, yeah
I switch it up
Switch it up, switch it up, up, up, up

I keep them on the run
On the town havin' fun
And when the day is done
We talking a brother been won
I keep 'em runnin'
But, you know I keep 'em runnin', yeah
They plan on passin' up
They think they got me down, yeah
I switch it up
Switch it up, switch it up, up, up, up

I keep 'em runnin', drivin' and hustlin' (Drivin' and hustlin')
They think they catchin' up, yeah
I hit them with this other thing (I hit them with this other thing)
But, you know I keep 'em runnin', yeah
They plan on passin' up
They think they got me down, yeah
I switch it up
Switch it up, switch it up, up, up, up
