

## La Villette

Marcus Miller

C'était tu très simple  
Don't you leave me standing  
In this ...  
Holding on to ...  
Fading memory (memories)  
I can hear the laughter  
Of who you used to be  
Nights of love you left will  
Forever be with me  
With me  
Ohohoho  
Closed my eyes and misjudged  
Like you're here with me  
And I'm realise it's just  
Just my fantasy  
For you I know it was just  
Nights of extasy

Nights of love you left will  
Forever be with me  
Ohohoh..  
Yeahyeah  
No no no

Oh oh oh  
Woah...  
Woah.. oh no.. yeah, yeah..  
Closed my eyes and misjudged  
Like you're here with me  
And I'm realise it's just  
Just my fantasy  
For you I know it was just  
Nights of extasy  
Nights of love you left will  
Forever be with me  
Oh oh oh
