

## Crazy Katy Nicotine And Her Red Jet Air Balloon

Marcy Playground

Crazy Katie, patchwork lady  
In the park she futzes around with her things  
Aww oh-aww-aaww  
And she has all kinds of things

Crazy Katie Nicotine Lady  
Aww, she must be 193, aww oh-aww-aaww  
And she flew around the world  
In her red jet air balloon all alone

Crazy Katie, patchwork lady  
From Amsterdam to Uncle Sam  
Everyone knows her name, aww oh-aww-aaww  
And they wait to see her shooting by

In her red jet air balloon in the sky  
And you might just see her shooting by  
In her red jet air balloon in the sky  
In her red jet air balloon, wave goodbye
