

## Dark Paradise

Mareux

All I ever wanted  
Was your devotion  
I was only hoping  
That you'll be there  
But you didn't even notice  
No you didn't even care  
You left me there  
On my own

It's beautiful, but I don't want to be in your dark paradise  
It's beautiful, living in the shadows of your hopeless light

What could I have said  
Just to make it more clear  
When you didn't even know it was me  
No you didn't even notice  
I was standing right there  
And you still had somewhere to be

It's beautiful, but I don't want to be in your dark paradise  
It's beautiful, living in the shadows of your hopeless light
