

None of us believe
Your visions are a lie
If life was all we needed
We wouldn't need a life
The subway is a porno
The state is all white noise
You never want to listen
You never had the choice

All the way
I'm a (gopnik)
I want to see you bleed
I'm a (gopnik)
All the way
I'm a (gopnik)
Empty all your pockets
I'm a (gopnik)

This summer was a wash
Alina didn't call
Yea she probably doesn't mind
There's only one thing on my mind
Every single day
In the stairwells of the housing estate
My friends and I will wait
My friends and I don't play

All the way
I'm a (gopnik)
I want to see you bleed
I'm a (gopnik)
All the way
I'm a (gopnik)
Empty all your pockets
I'm a (gopnik)
