

Nonstop Romance

Mareux

I want a nonstop romance
Soul tied in everything that we do
I want a nonstop romance
And I don't want it if it isn't with you
I want a nonstop romance
Soul tied in everything that we do
I want a nonstop romance
And I don't want it if it isn't with you

I want a-
And I don't want it if it isn't with you
I want a-
And I don't want it if it isn't with you

I want a nonstop romance
Soul tied in everything that we do
I want a nonstop romance
And I don't want it if it isn't with you
I want a nonstop romance
Soul tied in everything that we do

I want a-
Soul tied in everything that we do
I want a-
And I don't want it if it isn't with you
I want a-
Soul tied in everything that we do
I want a-
And I don't want it if it isn't with you
I want a-

I want a nonstop romance
