

## Scorpio

Mareux

Sick of all the talk  
Show me who you are  
Show me  
Show me  
Never over you  
Time won't heal all wounds  
Show me  
Show me

Scorpio  
Your dance  
I'm losing my mind

Talk to me  
For you  
You're all I have

Its all about trusting

All this time apart  
Embrace me in your arms  
For me  
For me

Even if its lost  
Tell me that we're not  
For me  
For me
