Stay Close To Me

Margaret Becker

Lately I've been finding Comfort in this truth I am just a child of need Who's found her hope in You

Stay close to me Stay close to me

Lately I've been quiet Remembering who You are Fascinated with the love You've shown to me this far

Stay close to me Stay close to me

Never leave me, never go I need You here, I need to know You will always be close to me, stay

Stay close to me Stay close to me

Never leave me, never go I need You here, I need to know You will always be close to me
