

Wasted

Margaret

Pap pa, pa pa rap pa pa
Pa ra ra rap pa pa, pa ra rap pa paaaa
Pap pa, pa pa rap pa pa
Pa ra ra rap pa pa, pa ra rap pa paaaa

Me and my shore runned all around the town
And boom, boom, boom
As the house crumbled down
Get into the dancefloor
Vibe was getting sick
And boom, boom, boom
Pumpin' bass with every kick

Oh, wasted
Oh, I'm feeling wasted
Kinda lame and hazed
What did I do last night?
Wasted
Someone better shake me
Feel the lack so lazy
Oh oh, last night

All I remember is

Pap pa, pa pa rap pa pa
Pa ra ra rap pa pa, pa ra rap pa paaaa
Pap pa, pa pa rap pa pa
Pa ra ra rap pa pa, pa ra rap pa paaaa

Joan is getting blurry
Just around the twos
Boom, boom, boom
Fell my head get into blues
Last thing I remember
Banging on this door
Boom, boom, boom
Have I done like this before?

Oh, wasted
Oh, I'm feeling wasted
Kinda lame and hazed
What did I do last night?
Wasted
Someone better shake me
Feel the lack so lazy
Oh oh, last night

All I remember is

Pap pa, pa pa rap pa pa
Pa ra ra rap pa pa, pa ra rap pa paaaa
Pap pa, pa pa rap pa pa
Pa ra ra rap pa pa, pa ra rap pa paaaa

What did I do?
Now I speak with a snore
What did I do?

Now it's all in the blur
What did I do?
Can't remember a thing
Don't have a clue
I am in on some distant day

Pap pa, pa pa rap pa pa
Pa ra ra rap pa pa, pa ra rap pa paaaa
Pap pa, pa pa rap pa pa
Pa ra ra rap pa pa, pa ra rap pa paaaa
Pap pa, pa pa rap pa pa
Pa ra ra rap pa pa, pa ra rap pa paaaa
