

## If Ya Wanna Go out

Margot & the Nuclear So and So's

If you wanna go out, I'll go  
But I'd rather stay home  
Sleep in my bed  
Smoke cigarettes

If you wanna be mean just know  
That tomorrow I'll go  
Sleep in the car  
And haunt you by dark

Why do you talk like that?  
You shouldn't talk like that  
You should have a good sense to refrain from this  
Cause they don't know you like I do  
Like I do
