

## Swallowin' Light Beams

Margot & the Nuclear So and So's

Slingshot to Heaven  
I'm coming  
You've got the feeling  
I'm needed  
But I start to get bored  
Catherine's eyes roll back  
And she starts to moan  
In her knee high socks  
And in her open robe  
Ooo hoo  
She's throwing a fit  
Tonight  
Ooo hoo  
She's swallowing light beams  
Slingshot to Heaven  
I'm coming  
Visions of leaving  
This evening  
Ooo hoo  
We're throwing it back  
In style  
Ooo hoo  
We're throwing it back  
In style  
Ooo hoo  
You're swallowing lightbeams  
Ooo hoo  
You're swallowing lightbeams  
Ooo hoo  
You're swallowing lightbeams  
Ooo hoo  
You're swallowing lightbeams
