Tiny Vampire Robot

Margot & the Nuclear So and So's

Tiny vampire robot
Wanna get sucked dry?
And I don't know how to tell you
It's been on my mind

Forget the place you're leaving
Where no one ever dies
Oh tiny vampire robot
Fill the dance floor with blood

Tiny vampire robot
That I wanted too
And I don't know how to tell you
How tall I grew

Forget the dreams of mother
Though I never did
Oh tiny vampire robot
Try to treat me good

Tiny vampire robot
Wanna get sucked dry?
And I don't know how to tell you
How long you've been on my mind

Forget the place you're leaving
Where no one ever dies
Oh tiny vampire robot
Fill the dance floor with blood
