

Any Old Time

Maria Muldaur

I just recieved your letter
You're down and out you say
At first I thought I'd tell you
To travel on the other way

But in my memory lingers
All you once were to me
So I'm gonna give you one more chance
To prove what you can be

Any old time, you want to come back home
Drop me a line, and say no more you'll roam
You had your chance to play the game fair
When you left me, sweetheart
You only left a load of care

Now that you're down
I'm going to stick by you
If you will only tell me
Your roamin' days are thru

you'll find me here
Like the day you left me alone
Any old time
You want to come back home
