

It's A Blessing

Maria Muldaur

I am marching every day
I'm meeting trials on my way
Short of blessings, but I'm going on just the same
Folks complaining on every side
Except me, Lord
I'm satisfied

It's a blessing just to call my Savior's Name

I don't worry and I don't fret
Not so easy to forget
I just pray and count my blessings every day

If misfortune got to break my heart
I just take it for my part
It's a blessing just to call my Savior's Name

It's a blessing just to live
It's a blessing just to give
It's a blessing to be present in this land
Matters not how bad at first
Just remember it could be worse

Oh it's a blessing just to call my Savior's name

Oh help us Lord
Folks complaining on every side
Except me Lord, I'm satisfied
It's a blessing just to call my Savior's name
