

Something for Nothing

Maria Taylor

It says a lot when you are in the clear
And when nobody has to mention your name when you're not here
But what we've got, are people filled with fear
And no wonder nothing gets done around here

There's nothing in my hand, I don't think you understand
I don't really wanna get something for nothing, I know...
There's nothing in my hand, I hate to keep changing plans, but
Everybody's trying to get something for nothing, I know...

What do you think, is it appropriate
To go leaning on the same old wall with the same old stare?
But what I think, it's been so very clear
I hate to have to mention I think I would disappear

There's nothing in my hand, I don't think you understand
I don't really wanna get something for nothing, I know...
You're just the same, and...
There's nothing in my hand, I hate to keep changing plans, but
Everybody's trying to get something for nothing, I know...

I don't really wanna get something for nothing, I know...
You're just the same, and...
Everybody's trying to get something for nothing, I know...
