

# And You Don't Remember

Mariah Carey

Mah baby  
Hey  
Hm

Shattered dreams  
Cut through my mind  
Tragically our love has died  
Memories confine my head  
Bitterly I face the end

Trustingly  
I gave myself to you  
I let you inside  
Believing your lies

And you don't remember  
Every time you told me  
You were mine for ever  
For eternity  
Uhhuh  
And you don't remember  
How you used to hold me  
How we'd melt together  
How you needed me  
How we used to be  
In love

Stranded here  
In nothingness  
With only tears  
And loneliness

Foolishly  
I gave my soul to you  
I let you inside  
Believing your lies

And you don't remember  
Every time you told me  
You were mine for ever  
For eternity  
Uhhuh  
And you don't remember  
How you used to hold me  
How we'd melt together  
How you needed me  
How we used to be  
In love

Helplessly  
I fell so deep  
I was so naive  
To let you in  
Why did I let you in  
To my heart

(And you don't remember)

No  
(Anything you told me)  
Anything that you told me  
(You were mine forever)  
You were mine forever  
For eternity  
Yes you will  
And you don't remember  
(And you don't remember)  
How you used to hold me  
How we'd melt together  
Together  
How you needed me  
How we used to be  
In love
