

# H.A.T.E.U.

Mariah Carey

Once upon a time  
We swore not to say goodbye  
Something got a hold of us and we changed  
Then you sat alone and cried  
And I sat at home and cried  
How'd our fairytale just end up this way

We went  
Round for round  
Til we knocked love out  
We were laying in the ring  
Not making a sound  
And if that's a metaphor of you and I  
Why is it so hard to say goodbye?

I can't wait to hate you  
Make you pain like I do  
Still can't shake you off  
I can't wait to break through  
These emotional changes  
Seems like such a lost cause  
I can't wait face you  
Break you down so low  
There's no place left to go  
I can't wait to hate you

This was a love phenomenon  
No one could explain  
And I wish I could press reset  
And feel that feeling again  
I sit and press rewind  
And watch us every night  
Wanna pause it  
But I can't make it stay (Just gotta let it play)

We went  
Round for round  
Til we knocked love out  
We were laying in the ring  
Not making a sound  
And if that's a metaphor of you and I  
Why is it so hard to say goodbye?

I can't wait to hate you  
Make you pain like I do  
Still can't shake you off  
I can't wait to break through  
These emotional changes  
Seems like such a lost cause  
I can't wait face you  
Break you down so low  
There's no place left to go  
I can't wait to hate you

No need to call my phone  
I changed my number today  
And matter fact

I think I'm moving away  
Sorry, the frustration's  
Got me feeling that way  
And I just keep having  
One last thing to say

I just wanna hold you  
Touch you, Feel you  
Be near you, I miss you  
Baby baby baby  
I'm tired of tryna fake through  
But there's nothing I can do  
Boy I can't wait to hate you

I can't wait to hate you  
Make you pain like I do  
Still can't shake you off  
I can't wait to break through  
These emotional changes  
Seems like such a lost cause  
I can't wait face you  
Break you down so low  
There's no place left to go  
I can't wait to hate you  
(I can't wait to H.A.T.E.U.)
